This certificate is valid only to document the OCIA certification of the operation named on this certificate. This certificate is not valid for trade, but only validates that the above operation may have product eligible for certification. By accepting this Certificate, the named operator agrees to maintain compliance and follow the approved management plan. The named operator agrees that this certificate will only be used as outlined in the regulations for the COR program. This certification remains valid unless suspended or cancelled by OCIA International, Inc., pursuant to Part 13 of the Safe Food for Canadians Regulations (SFCR). An updated organic management plan and on-site inspection are required annually.

Reference: Letter of Good Standing

To Whom It May Concern:

This letter is to verify that Swiss Water Decaffeinated Coffee, Inc, Operator #101515, is certified and in good standing with OCIA.

Swiss Water Decaffeinated Coffee, Inc was last inspected on March 09, 2023. Further, organic product from the Burnaby, BC facility were transferred to the Delta, BC facility and remain certified under the Delta, BC certificate #COR-00592.

Please note that the Canada Organic Regime (COR) and equivalencies on the organic certificate are continuous programs until surrendered, suspended, or revoked. A change in organic certification status can occur at any time; the operation is in good standing as of the date of this letter. If further verification of current organic status is needed, you may contact the OCIA International office.

Please let me know if you have any questions.

Sincerely,

Jessie Gregath
Certification Coordinator
